

Plastic cup frog

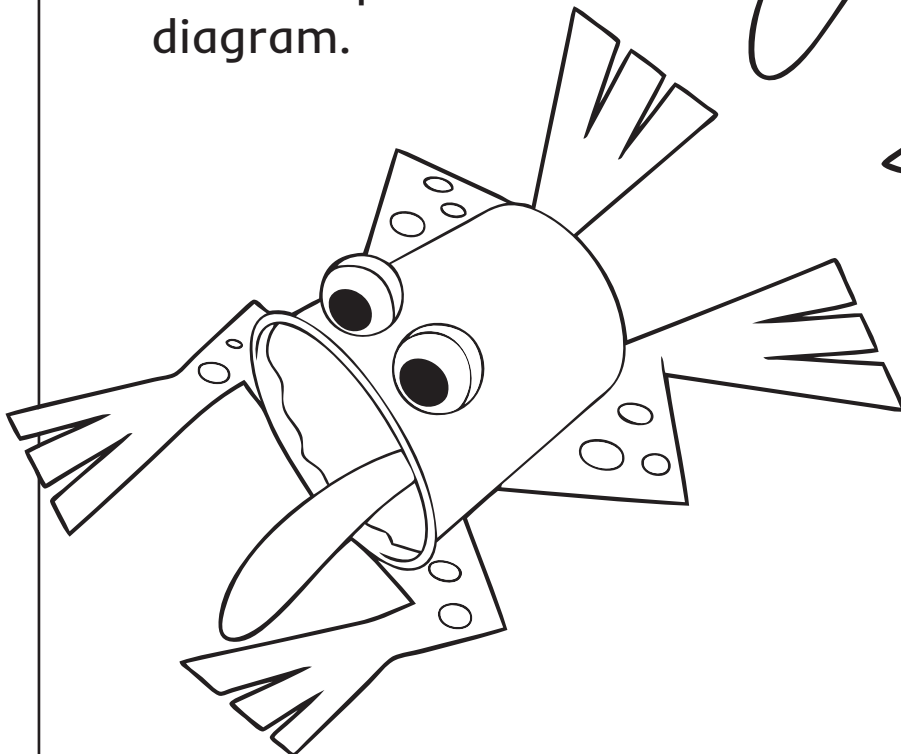

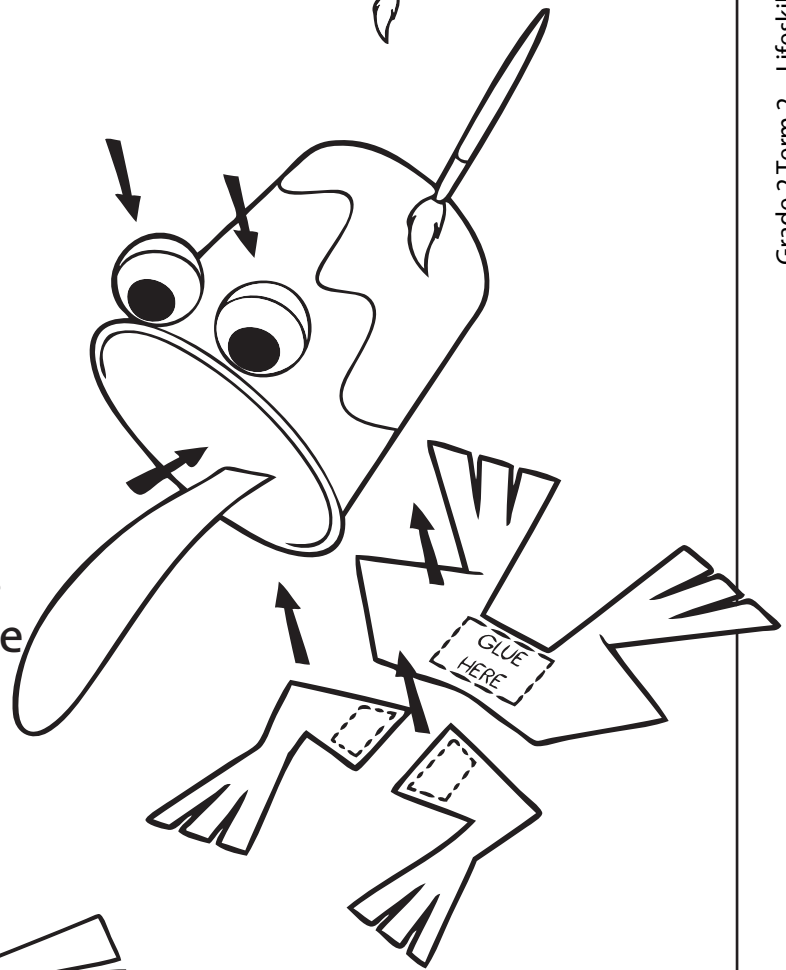

Name:

Let's make a frog. You will need: glue paste, a pair of safe scissors, paint, a paint brush, googly eyes, a plastic cup and the frog template.

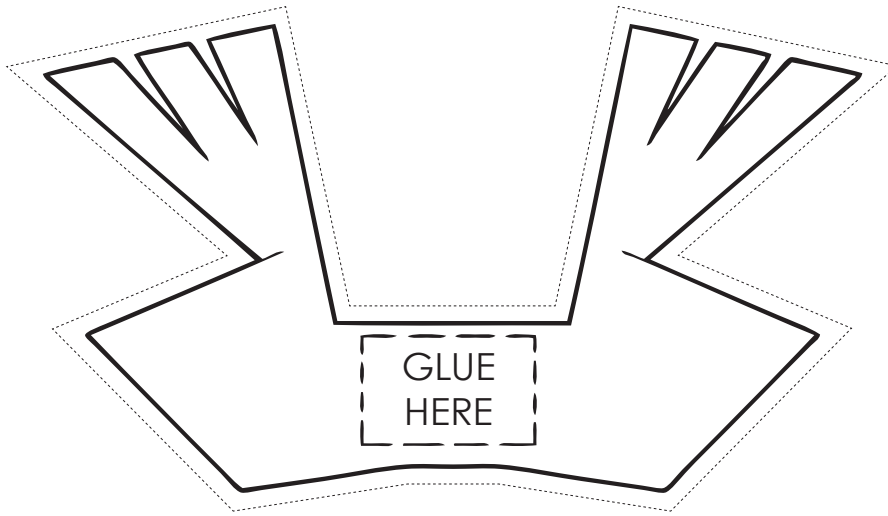

Instructions

1. Paint the plastic cup and paste the googly eyes onto the painted cup.
2. Paste the template page onto stiff card and then paint it. Cut out the template pieces when they are dry.
3. Paste the template pieces to the cup as shown in the diagram.
